

**REQUEST FOR PROPOSALS**  
**Spring 2025 Penn IUR Undergraduate Urban Research Colloquium**  
**(UURC) CPLN 5280/URBS 4280 Spring 2025, Tuesdays 1:45PM-4:45PM\***

**Project Title:**

**Research Team:**

Professor/PhD Lead Name:

Affiliation:     PhD Student     PhD Candidate     Post-Doc     Faculty

Undergraduate Student Name:

Affiliation:     Freshman     Sophomore     Junior     Senior

**Introduction (*Short description/abstract of the project. No more than 250 words*):**

---

\* This form should be completed and submitted electronically to Travis Decaminada ([tdec@design.upenn.edu](mailto:tdec@design.upenn.edu)) and Yining Lei ([yiningl@design.upenn.edu](mailto:yiningl@design.upenn.edu)).

**Research Questions** (*Detail areas of inquiry and related explanations here. No more than 100 words*):

**Field** (*Location, community, and/or context of the project and how this is relevant to your questions. No more than 100 words*):

**Methodology** (*How will you conduct your project? How does this relate to your research questions? What are the anticipated findings? Do you anticipate any challenges when conducting this research? No more than 250 words*):

**Proposed timeline (How will you spend your time during the Spring 2024 semester conducting this research? What will be the contributions of the professor/PhD lead and the undergraduate student?):**

January	<p>Research Team:</p> <p>Professor/PhD Lead:</p> <p>Undergraduate Student:</p>
February	<p>Research Team:</p> <p>Professor/PhD Lead:</p> <p>Undergraduate Student:</p>
March	<p>Research Team:</p> <p>Professor/PhD Lead:</p> <p>Undergraduate Student:</p>
April	<p>Research Team:</p> <p>Professor/PhD Lead:</p> <p>Undergraduate Student:</p>
May	<p>Research Team:</p> <p>Professor/PhD Lead:</p> <p>Undergraduate Student:</p>

**Proposed Budget** (*The UURC course provides you with \$2,000 to use as a team for your research project. Please use the table below to detail your proposed expenditures (e.g., conferences, research hardware, etc.). Please note that undergraduates cannot be compensated directly during a credit-bearing course, but may be awarded a stipend for ongoing summer research*):

#	Description	US\$	Comments
	Total being requested	\$ 2,000.00	

**Product(s) (*What is the anticipated outcome(s) (e.g., research article, etc.)? No more than 100 words*):**

**Briefly describe how this project matches your area(s) of interest and what your goals are for this course in general (*No more than 100 words*):**
