Urban Ageing Policies in Daegu & Philadelphia

1) Urbanization x Ageing

4) Policy Comparisons

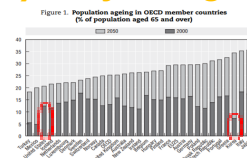

Philadelphia

- Age-Friendly Parks
- 61 active community gardens
- Complete Streets executive order
- Free-ride system for 65 and older
- Reduced fare of \$1 for regional rail trips
- All SEPTA buses, trolleys, and trains have wheelchair, lower platforms, and priority seating
- Repair Programs
- Owner Occupied Repair Program
- Living Independently for Elders (LIFE)
- Accessory Dwelling Units (ADU)
- 48 nursing homes
- 70 senior centers in Philadelphia
- Intergenerational Center, Project SHINE
- GenPhilly
- Retired and Senior Volunteer Program
- Senior Community Service Employment Program

Daegu

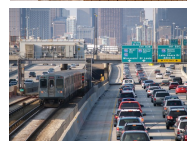

- Four major parks with museum, zoos, arboretum, horse riding course & more for recreation/educational purposes
- 112 non-step bus routes
- Lower platforms on buses
- Register transportation card for elderly (65 or above) at post offices
- Subways are free, but pay fee for buses
- 48 Support Centers for Seniors Living at Home
- 258 Nursing homes
- Facilities for Senior Citizens suffering from senile diseases
- Recreational facilities for senior citizens
- Publication of the biographies of the elderly population who spent majority of their lives in Daegu

2) Why Daegu & Philly? 3) Background

5) Future Policy Imp

Global Age-friendly
Cities Guide

Philadelphia

- Poor air quality
- 5th most dangerous city for pedestrians
- More lighting and police presence
- More street benches
- SEPTA's punctuality : 2011 on-time performance decreased by 0.6%
- Safety: 29,806 crime reports in 2008
- Bus shelters: only 304 currently
- Taxi accessibility
- Negative perception of living environment
- Home improvement issues
- No focused housing programs for grandparents taking care of grandchildren
- Re-designing of homes is necessary
- Lack of awareness of activities
- Accessibility of voting place and issues with vote ID that requires photo ID
- No programs supporting entrepreneurship for adults
- Affordability for health costs

- Lack of
- Lack of
- Directional the elderly
- Not all bus)
- Insensitive especially not wa
- Need to policie house to larg
- Senior not ag isolatic
- Senior popul the sou
