

Building Smart & Sustainable Cities and Regions:

Current Trends Globally, Nationally and Locally

From transportation to affordable housing to climate resilience, cities across the world are discovering unique ways to become smarter and more sustainable. On October 18, join Regional Plan Association and the Consulate General of Sweden for “Building Smart & Sustainable Cities and Regions,” presentations and discussions of current trends and future work.

Thursday, October 18th, 2018
8:00 am – 10:00 am

Center For Architecture
536 LaGuardia Place,
New York, NY 10012

To register, visit
