REQUEST FOR PROPOSALS
Spring 2023 Penn IUR Undergraduate Urban Research Colloquium (UURC)
CPLN 5280/URBS 4280 Spring 2023, Wednesdays 10:15AM*

Project Title:

Research Team:
Professor/PhD Lead:
Affiliation (Circle One): PhD Student PhD Candidate Post-Doc Faculty

Undergraduate Student:
Year (Circle One): Freshman Sophomore Junior Senior
Major:

Introduction (short description/abstract of the project):

* This form should be completed and submitted electronically to Chris Quattro (cmquat@design.upenn.edu) and Diana Negron (dpmegron@design.upenn.edu).
Research Questions *(detail areas of inquiry and related explanations here)*:

Field *(location or community of research and how this is relevant to your questions)*:

Methodology *(How will you conduct your investigation? How does this relate to your research questions? What are the likely outputs of this research (published paper, etc.)? Do you anticipate any challenges when conducting this research?)*:

Proposed timeline *(How will you spend your time during the Spring 2023 semester conducting this research? What will be your contributions to the research project?)*:

January:

February:

March:

April:

May:

Proposed Budget *(The UURC course provides you with $2,000 to use as a team for your research project. Please use the table below to detail your proposed expenditures. Please note*
that undergraduates cannot be compensated directly during the period of the course, but may be awarded a stipend for ongoing summer research.):
